

2ND NEURONN WORKSHOP ON NEUROMORPHIC COMPUTING

The second Workshop of the EU H2020 NeurONN project will take place on Friday March 18th, 2022 under the organization of Fraunhofer EMFT partner and in the frame of DATE22 Conference (<https://www.date-conference.com/>). It will present the Demonstrator II, which is a Proof-of-concept demonstration of ONN having 8x8 inputs (64 pixels) by coupling 8x8 oscillators based on VO2 and controlling their phases. The final application will demonstrate a pattern classification (8x8 pixels).

Project Channels:

NeurONN Website : <https://www.neuronn.eu/>

This project has received funding from the European Union's H2020 research and innovation programme under grant agreement No 871501.

**In the frame of
